Women Build 2023

May 18-19

event sponsorship package

WOMEN BUILD 2023

Women Build brings women volunteers together from all walks of life to build stronger, safer communities. Women and children make up the majority of people populating Habitat neighborhoods, as they are most likely to be affected by poor living conditions.

Women Build events provide the opportunity for women to take a proactive step in serving their communities.

Habitat's vision is a world where everyone has a decent place to live.

WOMEN BUILD 2023
